

St. Gabriel Parish had its earliest beginnings in the diocese in the 1950s when Monsignor William G. Gallena, then pastor at St. Mary's Painesville, purchased approximately 15 acres of land on Button Road in Concord Township.

In the early 1960s because of the overcrowding at the school of St. Mary's of Painesville, the first structure was built with the eventual plans for an eight-grade elementary school.

In the middle of the 1962-1963 school year, the building was completed and the school was open to grades 1-4. The prayerful hope was to add a grade each year to complete grades one through eight. For five years, the school was staffed with Sisters of Holy Humility of Mary under the direction of Sister M. Benedicta. Daily they commuted from St. Mary's in Painesville.

Due to the growth of the then rural area, St. Mary's of Painesville and St. Mary's of the Assumption in Mentor, it was deemed necessary to develop a Mission Parish at the location of St. Gabriel's school. In June of 1966, Reverend Bernard V. Brady, then serving at St. Michael Parish in Independence, Ohio, was appointed by the Diocese of Cleveland to be Assistant Pastor of the parish of St. Mary's in Painesville. This appointment included the specific assignment to develop the St. Gabriel Mission. This appointment was effective on Thursday, June 9, 1966, on the Feast of Corpus Christi. Officially St. Gabriel Parish was born on July 1, 1966. On July 3, 1966, Reverend Brady began with the first two Sunday Masses to be celebrated in the Chapel Auditorium, with a small altar and folding chairs for his new congregation.

Surrounded by St. Mary's Chardon, St. Mary's Painesville, and St. Mary of the Assumption in Mentor, Archangel, St. Gabriel Church was named. Heralding the Light of Christ to be born in the world, God's special messenger was in the middle of three beautiful parishes named for Mary.

Here, Mass would be celebrated for the next five years. Father Englert, Father Brady's cousin, was to help out until June 1976. Parish boundaries, which encompassed 25 square miles, were established in 1966. Equal numbers of families from St. Mary's in Painesville and St. Mary of the Assumption in Mentor were to make up this new parish. With many mixed emotions from parishioners that had been generation after generation parishioners in the other parishes, the work and labor of love began for the people that were now under the spiritual guidance of Fr. Brady. With approximately 200 families in the parish, all joined to build step by step what is the present St. Gabriel's parish in a short span of twenty-five years. With Father Brady's arrival, he took up residency in an unoccupied classroom on the second floor of the school until 1969.

In the fall of 1967 the Dominican Sisters of Akron took over the role of educating the children of St. Gabriel. Sister Imelda Bisheimer was the first Dominican principal. The Sisters lived in the apartments next to the school, serving until the fall of 1971.

In 1967, a stable was built and displayed in front of the school for the Christmas season with live animals from members of the parish that had them on their farms. The stable was then moved to the back of the property and converted into the Shrine of Our Lady of Fatima, dedicated in 1968. A plaque was displayed in the Shrine with the names of the service men from the parish and daily prayers were offered for them. All men that were listed on this plaque returned home safely from the Vietnam War. In 1981 a major renovation of the Shrine was executed by volunteers with all \$5,000 in labor and materials donated.

In 1969 a brick home was purchased across the street from the church/school for the rectory. The following year, with the addition of a fourth nun, Fr. Brady had the house remodeled and converted into the present convent. The house next to it was purchased and became the new rectory.

In 1970, as the parish grew, Chapel Hall was inadequate for the growth of the parish. A Fund drive began for the purpose of construction of a temporary church which would later be converted into a school gymnasium. The following year it was built with money borrowed at 7 ½%. With the completion of this addition, our new "church" was ready and it was necessary to furnish it. With contributions from Holy Family Parish on the west side and several other churches, the men of the parish began taking apart pews, renting trucks, hauling everything usable back to St. Gabriel. We then had a beautiful church with pews, altars, Stations of the Cross, all built from the labor of love, sacrifice and all the members participating and having a hand in the joy of sharing. This part of the addition that began in 1970 was the church until Christmas Eve 1984 at which time the first Mass was celebrated in the new church.

In 1971 under the direction of Sister M. Lisa Novak, the Sisters of Notre Dame began teaching at our school and dedicated themselves to this service for 20 years. Due to failing health, Father Brady retired in September 1977. The Reverend Robert E. Pahler was installed as pastor the following month. With the continuing growth of the parish, the need of an associate pastor was answered with the appointment of Reverend Thomas W. Johns directly after his ordination in June 1978. In early 1978, a planning group was formed to establish priorities and future needs of the parish. The expansion of the school was the number one priority, with the decision being made to increase the number of classrooms to sixteen (two for each grade level) and make other improvements to the facilities. A campaign began in the fall of 1979. It was successful and construction began in the spring of 1980 and completed in September with the addition of four classrooms. The year of 1982 marked the completion of an addition to the rectory of approximately 700 square feet of office and living area. Volunteer workers had it completed in time for Father Pahler's twenty-fifth jubilee. In August of 1982, the parish received its first permanent deacon, Reverend Mr. Andrew Novak.

The next priority for the parish would be the construction of a separate church. In 1983 following nearly three years of planning and a special building fund drive, the date was set for ground breaking ceremony on Palm Sunday, March 27, 1983. The year of 1984 began with full construction underway on the new church. On Christmas Eve 1984, the Midnight Mass was celebrated as the first Mass in the new church. The new church was officially dedicated on June 23, 1985 with the most Reverend A. Edward Pevic as celebrant for the dedication Mass. The same night the new gym was dedicated and the mortgage on the 1971 church debt was burned followed by a parish party. This was done in conjunction with the 20th anniversary.

By late 1984, plans began to convert the former church into the school gymnasium. Thus resulting in another building fund for the remodeling of what is now the Pahler Center. This was completed and

ready for use on June 7, 1986. With an upsurge of new parishioners, the need for a new deacon brought us Reverend Norman Davis in September 1987. In the summer of 1988, Father Robert Stec replaced Father Lenny Zamborsky as associate pastor. In 1991, Father Pahler was assigned to Queen of Heaven in Greensburg and Father Fred Pausche became our new pastor.

St. Gabriel parish has been a young and active parish as can be seen by the continued growth and support of the congregation.
