My Sisters and Brothers,

Happy Father's Day to all our dads, grandfathers, Godfathers, and all who model our Heavenly Father's love and care for their families. If your call is to be a father in any way, today is a great day to renew your efforts to model the love and mercy of God our Father in heaven. For everyone else, this is a great opportunity to shower Dad with love, appreciation, and respect. Have a wonderful day celebrating the love that binds families together. One of the ways we show our support for moms and dads, and the respect we have for all life, is with our **Baby Bottle Boomerang** that began with bottles filled with candy on Mother's Day and culminates with the return of the bottles on Father's Day filled with coins and cash to support the good work of Hannah's Home. Thanks to all who remembered to bring back your filled baby bottle this weekend. If you forgot, please return the filled bottle as soon as you can so that we can make these donations.

We are challenged once again in today's Gospel with the ultimate question, **"Who do you say I am?"** If we answer and believe that Jesus is the "Christ of God", then our ultimate response is that we must be His followers and deny ourselves, take up our cross daily, and follow in His steps. Although we call this "Ordinary Time", now is the time to put into practice the faith that we profess and have celebrated so beautifully. So let's walk together as genuine disciples of the Lord.

Tuesday **Fr. Ed** officially left for Litchfield and **Fr. Michael** arrived at St. Gabriel to begin his ministry here. We pray that God will guard and bless their coming and their going, and that as they share their gifts in new ways and in new places God will bless their work, help them both to feel very welcome, and use them as instruments to continue building up the Body of Christ. It is a pleasure to have Fr. Michael with us. I know you will love him.

Our 28th annual **Summer Kick-off festival** was absolutely fabulous. God blessed us with great weather and a great time for all. Except for a few minor scrapes everyone was safe, and everything is just about cleaned up. It is too early to know our financial profit, but all indications point to a really great year. We are tremendously grateful for everyone's support and hard work. The festival is all about community, and this was another expression of our community at its finest. I am so grateful to each and every volunteer, to every booth captain and core team member, to all our sponsors and to all who supported our efforts in any way, and especially to Greg and Rory Lough who head our team with such a positive, welcoming, competent and joyful spirit that is so contagious. Thanks also to all who worked so hard to clean up and put everything away. It is inspiring to see people work together so well. Most importantly, we praise and thank our God for blessing us as a community of faith and for all the ways we are privileged to share the Good News. Although we are all

winners because of our great festival, congratulations especially to Mary Henke, our main raffle winner, and volunteer raffle winners who are listed later in this bulletin. And sorry to those who waited up for a call from me on Sunday night and didn't get one. If you had a ticket in the drum I did say a special prayer for you and asked God to bless you in a special way.

Our **Junior High Kingdom Kamp** will be concluded by the time you read this, and it looks like all had a super fantastic week of fun, faith, service, and spiritual joy in their many meaningful and enjoyable activities. I am so impressed by the quality of our youth and all the ways they are growing and becoming such great people. I am even more impressed by our adult advisors and youth leaders who care so much and lead by example, especially Paul Kelly, our Coordinator of Youth Faith Formation, and Mary VonCarlowitz, our High School Youth Coordinator. Next week we are on to our exciting **Vacation Bible School** with over 250 children and 158 youth volunteers and 40 adult leaders. God bless all our adult advisors and volunteers, and in a special way, Allison Capella, who coordinates this massive effort of making God's Word so vibrant and exciting for our youth. Very early this Saturday morning our merry little band of missionaries leave for their **Mission Trip to Grenada**. Jesus' final words were, "Go and bring the Gospel to all nations". So, away they go with our support and prayers. Our youth are so blessed and such a blessing to us. May God bless and protect all 20 youth and 5 adults who serve in our name.

I can hardly believe that our annual **Parent-Child Golf Tournament** is this coming Saturday, June 25th, at Quail Hollow. This wonderful intergenerational evening of golfing fun is meant for golfers of all ages. I can recall grandparents, parents, children of all ages, and even a two year-old having a great time enjoying nine holes of golf, delicious food, great prizes, and lots of fun. Cost is \$40 for adults and \$35 for children under eighteen. Sign up right away so that we can get everything organized. And, please help us if you can with our fantastic **Links Fore Catholic Education** scholarship golf tournament on July 25th at Quail Hollow to help families better afford Catholic education. Everyone wins if those who are able can do their part and help us out.

Have a wonderful week. Be good to Dad. Enjoy the gift of Summer. Take a moment to count your blessings and be willing to return them by answering God's call to serve and share. Be safe in everything you do, and may you always be aware that the Lord is calling you to follow Him. Peace be with you.

In God's love,

J. J. J.

RCIA (Rite of Christian Initiation of Adults)

Are you interested in finding out more about the Catholic Church? Is your spouse, fiancé, neighbor, or friend interested?

The RCIA Process enables those who are interested in finding out more about the Catholic faith to come and “find out what it is all about.” Most often, people join us because they are invited. Be the voice of Christ and offer the first invitation. The RCIA Process is for unbaptized, those baptized in another faith tradition, as well as adults who have been baptized Catholic and have not celebrated the sacraments of Eucharist and Confirmation. Please call Maureen Dowd at 352-8282 or mdowd@st-gabriel.org for more information and to set up an appointment to talk about the process.

LITURGY CORNER

Father’s Day is always celebrated on the third Sunday of June. The origins of the day aren’t really clear, but it’s thought that it was first celebrated about 100 years ago in a Methodist Church in Fairmont, West Virginia. While we think of this as another day of barbecues, ballgames, and perhaps a round of golf, we should think of the biblical examples set for fathers throughout our faith. First of all, honoring our fathers with a special day is in keeping with the biblical commandment to honor our fathers and mothers. Not just one day a year, but every day. Second, we can look at the biblical examples of fatherhood. We start with Abraham, who is revered as the father of faith by Jews, Christians, and Moslems. Abraham had faith in God that his children would someday become a great nation. We have the example of the father of the prodigal son who showed faith that his son would return to him. Also, Jairus who in spite of his wealth and prestige, threw himself humbly before Jesus so that his daughter could be cured. Most importantly, we have Joseph of Galilee, who perhaps is the most exemplary of fathers. He believed in God’s message and took Mary as his wife and raised Jesus as his own son because he had faith that God was working through him and Mary. May we honor our fathers today and every day.

A Father’s Day Prayer

God our Father, you govern and protect your people and shepherd them with a father’s love. You place a father in a family as a sign of your love, care, and constant protection. May fathers everywhere be faithful to the example shown in the Scriptures: steadfast in love, forgiving transgressions, sustaining the family, caring for those in need. Give your wisdom to fathers that they may encourage and guide their children. Keep them healthy so they may support a family. Guide every father with the Spirit of your love that they may grow in holiness and draw their family ever closer to you.

Amen.

Music Notes ...

Jesus asks the disciples who the people say he is. "An ancient prophet," "John the Baptist," "Elijah," are their answers. Jesus asks the ultimate question: "Who do you say I am?" And Peter responds, the "Christ of God." Jesus then tells the disciples about suffering, rejection, death and rising from the dead. They can't comprehend what he's saying. Jesus goes on to state his followers must take up their cross. As Christians today, we are called to do the same. "You are the Christ. You are Messiah the Son of the Living God," from "You are the Christ."

50th Wedding Anniversary Celebration ...

The Department for Marriage and Family Ministry, the Office for Worship, and the Cathedral of St. John the Evangelist are pleased to announce the 50th Wedding Anniversary Celebration. The Mass will be held on **Sunday, July 31st**, at the Cathedral of St. John the Evangelist with the Most Rev. Richard G. Lennon as the celebrant. Mass begins at **2:30 pm**.

Please pick up a registration form from the parish office. Return registration form to the parish office, or mail or fax it using the contact information on the form by **Monday, June 27th**, in order for the couples' names to be included in the 50th Wedding Anniversary Celebration Booklet. Firm deadline!

Recently, in the most recent issue of the Pillars parish newsletter, I described how fast four years can go and how it seems like just yesterday I was getting acclimated to St. Gabriel. This week, effective Tuesday, June 14th I began my third assignment at Our Lady Help of Christians in Litchfield, Ohio. As with any transition, it will take time to settle in to a new place. I am happy to report the first few days have gone well and I'm anticipating learning and growing from every opportunity that comes my way.

I want to take this opportunity to say Thank You to everyone who shared such kind words, thoughts, and generous gifts with me during this time of farewell. Your kindness is greatly appreciated! I have included my new address below, feel free to keep in touch or stop on by if you find yourself in the Medina area! I'm not sure what more I can say, so as I have said before, it's not "good bye" but it's "until we meet again." Thank you and may God abundantly bless you!

Love,

From the Bell Tower...

Ring-ring-ring! If you've ever paid particular attention to the bells at St. Gabriel, you'll happen to notice that they ring before the beginning of Mass on the weekend and regularly at noon and 6:00pm. In our Catholic Tradition, bells have commonly been used for many centuries as a means to call the faithful to prayer. At the 6:00am, noon, and 6:00pm hours, the bells call us to pray The Lord's Prayer and the Angelus (a prayer honoring the Incarnation of God). You may have noticed recently that there has been the addition of the ringing of the bells at the 3:00pm hour. Why? During this year of Mercy we have been looking for new ways to avail ourselves to the bountiful mercy of God. The ringing of the bells at 3:00pm is meant to draw our attention to the time traditionally held that Christ died upon The Cross to save us from our sins. May we take some time at this sacred hour of the day for prayer and remember Christ's saving sacrifice that sets us free from our sins.

Summer Storms ...

We are well into summer and winter snow storms are a distant memory. But, summer storms can bring dangers of their own. One of the biggest dangers is lightning. On average, 50 people in the U.S. become lightning fatalities each year. Usually the cause of death when struck by lightning is cardiac arrest which stops the heart from beating. Some pretty basic suggestions can help prevent more people from becoming a statistic. If you hear thunder (even in the distance) get inside a building with wiring/plumbing or a metal topped vehicle! We see sporting events where games are delayed for thunder yet players and fans are allowed to stay by the fields! If you are stuck outside, avoid open areas, stay away from tall isolated trees, water and metal objects. Even if you are indoors avoid water, metal, electrical appliances and using land-line telephones. Most of these either attract or conduct electricity both of which are dangerous. Stay indoors at least 30 minutes after the last thunder boom is heard. www.lightningsafety.noaa.gov Remember the National Weather Service motto, "When thunder roars, get indoors!" *Here's to our health!*
