Mentor Wal-Mart and Madison
Giant Eagle

Concord has two recycling drop off sites:

Town Hall- Between Buildings
"B" and "C"

Concord Hills Parks- Hoose Rd.

The recyclables will not need to be
separated by product type.
However, please break down large
boxes before disposing

What our Church says.....

Call to Conversion

The environmental crisis of our own day constitutes an exceptional call to conversion. As individuals, as institutions, as a people, we need a change of heart to save the planet for our children and generations yet unborn. So vast are the problems, so intertwined with our economy and way of life, that nothing but a wholehearted and ever more profound turning to God, the Maker of Heaven and Earth, will allow us to carry out our responsibilities as faithful stewards of God's creation.

Only when believers look to values of the Scriptures, honestly admit their limitations and failings, and commit themselves to common action on behalf of the land and the wretched of the earth will we be ready to participate fully in resolving this crisis.

United States Catholic Conference of Bishops

Lord, We ask for strength in our recommitment to this planet and Your creation. We could never express completely our gratitude and thanks for this World You have given us to live in, love in and enjoy. Direct each of us to the path of care and nurturing of your creation and all of life. Amen
