

January 11th, 2012

Dear Families,

This week in 2nd grade we will begin working in our Eucharist workbook to start preparing for our First Communion in May. Each child will be receiving a Mass book to work on in class each week and they will be kept at school.

The children participated in several activities
Our ritual focus: Renewal of Baptismal Promises,
New Life – The Body of Christ, We Belong to God,
The Sacraments of Initiation, Children of Light

Our class ends each week by praying together for each other, our loved ones, any special intentions and reflecting on God's message to us this week.

We encourage families to try doing one of the activities on the Faith at Home page in their text book.

IMPORTANT NOTE: Please check your child's folder each week for any papers that are sent home with them. Should you have any notes or forms to return to us please place them in your child's folder for return the next week. Children must bring their bookbag, and textbook with them each week.

REMEMBER: Check out the website, www.harcourtreligion.com for great family ideas and expansion activities as they relate to our topic this week. You can also find this letter and other important information on our Parish Website at www.st-gabriel.org.

God Bless,

Your Catechists and Assistant Catechists
