

## **UNIVERSAL PRAYER) PRAYER OF THE FAITHFUL**

**January 28, 2024**

**Fourth Sunday in Ordinary Time**

For our Church in our fragile world, may we all bear the mystery of Jesus' authority to love and serve people in need. We pray...

For our world, that Jesus's teaching may rebuke the unclean spirits that torment it: greed, violence, oppression, and despair. We pray...

For our faith community, leading the life to which God has called us, may we strive to support one another in love. We pray...

For all who are growing in the Catholic way of life, for all catechumens and candidates, for administrators, teachers and students in our Catholic school and faith formation. We pray...

For the sick, the suffering, and the troubled, that the love of Christ may drive out from their lives the unclean spirits of anxiety, despair, and suffering. We pray...

For our loved ones who have died, may they find mercy, consolation, and peace in the glory and light of heaven, including,
