

UNIVERSAL PRAYER) PRAYER OF THE FAITHFUL

July 4, 2022

Independence Day

For the Church: may the bishops, clergy and faithful labor tirelessly on behalf of human rights that all may enjoy the goods of God's creation. We pray...

For our divided nation as we celebrate our independence; may we uphold our most profound national and human values. We pray...

For the Community of St. Gabriel: for rest and renewal during these summer months and for times of reflection that strengthen us to continue the work of discipleship. We pray...

For safety of all those serving us in the military and for our country's freedom from destruction, hostilities, and hatred. We pray...

For summer travelers: may they travel safely and find the Creator in the beauty of Creation. We pray...

For the sick and those in need of healing, may they be touched by the presence of Christ. We pray...

For our departed brothers and sisters especially those who died in service of our country. We pray...
