

Dear Parents and Sponsors,

Welcome to the Decision Point Program! This program consists of 12 lessons. We will complete 8 lessons in our class sessions and we ask that 2 are completed at home by the candidate and their parent(s).

Parents are required to complete session 3 “The Jesus Question” and 6 “Relationships” at home with their son or daughter by the date of their conference (October 12, 15, or 17).

All of the materials for the parent and sponsor to complete their sessions are located at <http://dynamiccatholic.com/confirmation/view-program/session-1/>

Each session uses 6 short videos to teach your son or daughter all they need to know in order to be prepared for the Sacrament of Confirmation. Just scroll down the page at the link above and click on the session 3 or 6 and the videos will come right up! It is the parent’s responsibility to complete these two sessions together with your son or daughter and to complete the discussion questions and journaling questions in the blue Decision Point Workbook that you received at the first session from your group leader.

The leader’s guide walks you through sessions 3 & 6 step by step. You can download the leader’s guide pages you need for chapters 3 and 6 right from this same website and your son or daughter has the workbook.

There is also an app so that you can download all of the sessions right onto your phone. We will invite students to download this app as well.
