

Take Out Counter Set Up

Responsible for setting up take out assembly table and assembling cold foods.

Take Out Area:

From back storeroom in gym bring out:

- One box of large Styrofoam take out containers
- One box of small Styrofoam take out containers
- One box of gloves located on the wire cart
- One box each of packets—Ketchup, tarter sauce, cocktail sauce. Butter and sour cream are located in fridge in storeroom down by fryers.

Food Assembly:

48 Cups of Coleslaw. You will need:

- Cole Slaw—located in fridge down by fryers
- Plastic cups w/lids—located in back storeroom
- 2 foil pans—located in back storeroom
- 1 ice cream scoop—located in utensil bins on tables by stage in gym
- Plastic gloves—located on wire carts
- Scoop coleslaw into cups, cover with lid, and place in foil container. Store foil containers in the kitchen fridge next to the door leading to Brady Hall.
